BALPEX 2024 Bourse Booth Price List (as of 4/16/24):

Due to increased costs to put on BALPEX (NEW venue, but with greater exposure to the NOVA/ Washington, DC market), a change in room reservation policy and required hotel commitments there it was necessary to adjust booth pricing. Table pricing will now include one three (3) night stay at the hotel in a king or 2 double bed room for each dealer package. Reservations for this room are to be made through the BOURSE COMMITTEE, NOT the hotel website. Reservations for additional stays are made through the hotel website (see link at Hotel Information) at the special BALPEX price (Code ???WB). We are maintaining free admission and parking for your clients and will endeavor to insure that this and future BALPEX shows compete with the best *WPS* National shows. **Note, payment deadlines!** Thank you for your support.

NOTE: Table size & configuration can be requested to suit, subject to Committee approval and appropriate price adjustment. Call the Bourse Chairman to discuss your needs and for quotes.
